### PROFILE

Highly motivated and passionate Interior Designer with over a year of hands-on experience in residential and commercial interior design projects. Adept at transforming client ideas into functional and aesthetically pleasing spaces. Skilled in collaborating with multidisciplinary teams and proficient in using design software like AutoCAD, SketchUp, Photoshop, and Rhinoceros 3D.

Seeking to leverage my creative design capabilities, technical knowledge, and excellent communication skills to contribute to innovative and high-impact design projects.

### SKILLS

- AutoCAD
- SketchUp
- Rhinoceros 3D
- Adobe Photoshop
- V-Ray
- Enscape
- Canva
- Strong interpersonal and presentation skills.
- Proficient in coordinating with contractors, managing timelines, and overseeing design implementation.

### EXPERIENCE

Architectural Designer

**May 2025- November 2025**

**Doric Architects, Muzaffarpur, Bihar**

- Designed façade concepts for residential and commercial projects.
- Created interior layouts, material palettes, and detailed drawings.
- Developed landscape design concepts, including softscape and hardscape planning.
- Prepared 3D visualizations and presentation drawings for client approvals.
- Coordinated with consultants and contractors to ensure design feasibility.
- Assisted in site visits and design revisions based on on-ground requirements

### EDUCATION

Amity University
